

The God Bless Girl

Shirley Fine Lee

**The
God
Bless
Girl**

A fictional story based on a few days in the life of a young grocery store clerk named Sarah. The story unfolds through conversations with her boss and the store's customers. In these conversations, Sarah and others discuss American history, faith based symbols, prayer in schools, and religious tolerance. They express their fears of current and coming changes in America that may hinder freedom of religion and speech for its citizens.
